HOW CONTESTANTS ARE SCORED

Each category carries a percentage of the total score. Each category is judged and scored independently from all other categories. Categories include:

Personal Interview 75%

Stage Presence (in evening gown) 25%

- Three Minute Personal Interview: Individual interviews will be held in the afternoon prior to the pageant, beginning around 1:00pm. These interviews are done only in front of our judges. Please arrive ready for your interview. Remember, this is the time the judges see you close up and see your personality shine! The judges will be especially interested in your personality, grammar, manners, etc. The judges will be provided with an application from each contestant. The questions asked will be about you and your interests.

ABOUT THE JUDGES

There will be a panel of three men and/or women who are genuinely interested in you. Our judges are serious, yet fun-loving people from various places throughout Illinois. They want to enjoy this experience as much as you. Be yourself!

WARDROBE

Interview and Stage Presence will be the same dress. Contestants are not to have more than one dress for competition.

Contestants are to wear a dress of their liking. This will allow them to show their personal style! Dresses are to be long enough that they can sit comfortable at their interview. Dresses can also be shared with the pageant committee for suggestion and approval.

Allowed accessories are small hair adornments and jewelry. Cowboy boots, flip flops, gloves, hats, and large jewelry are not allowed. Hose and/or make-up optional.
